

Frappuccino Design Contest!

Barnes & Noble Bookfair

Do you have what it takes to design the perfect beverage? These frappuccino (“frappe”) drinks start with a base of milk and are blended with ice – you decide what flavors and toppings to add. If your design is chosen, your drink will be the official **Goodnoe Elementary School** frappe at the bookfair, and you will receive a free frappe from the Barnes & Noble Café! Return this form to your homeroom by **Wednesday, November 14th**.
